Dear Kam,

This is to inform you that I ' m resigning from the board of directors of Clean Energy Technologies (CETY) effective Friday, September 16<sup>th</sup>, 2016. Please note that I have received no compensation during my time as a Board member of CETY in cash, stock, options, benefits or any other monetary instrument.

I believe that according to the by-laws of the company, a director resignation sent to the CEO of CETY will fulfil the by-laws resignation requirement.

I greatly appreciated working along with each of the Directors and the Management of the Company to move CETY forward. I believe in the CETY business and technology and wish you all success going forward. My resignation is for personal reasons and is not a reflection of my belief in the future of the Company.

I wish the organization continued success.

Regards,
